

THE LIMITLESS DIAGNOSTIC(TM)

A 7-Dimension Clarity Assessment for Category-Defining Founders

Limitless Solutions Consulting - www.limitlessolutionsconsulting.com

INTRODUCTION

Clarity is the foundation of innovation. The Limitless Diagnostic(TM) evaluates your business across seven essential dimensions that determine your ability to stand out, scale, and lead your category. Each dimension is scored from 1-10, for a total of 70 points.

THE 7 DIMENSIONS

1. Vision Clarity (1-10)

How aligned and intentional is your long-term direction?

Score: _____

2. Category Definition (1-10)

Do you occupy a category you can own?

Score: _____

3. Brand Narrative & Identity (1-10)

Is your story clear, compelling, and differentiated?

Score: _____

4. Offer & Value Structure (1-10)

Is your value articulated with clarity and confidence?

Score: _____

5. Innovation Maturity (1-10)

Are you building the future intentionally?

Score: _____

6. Authority & Visibility (1-10)

Are you recognized as a leader in your space?

Score: _____

7. Growth & Partnership Leverage (1-10)

Do you have strategic pathways for expansion?

Score: _____

TOTAL SCORE

Total Score (Out of 70): _____

SCORE INTERPRETATION

0-20: Unclear & Unaligned

Foundational clarity is missing. Begin with vision, category, and narrative alignment.

21-40: Potential, but Fragmented

Strong elements exist, but major gaps limit growth. Focus on category, narrative, and offer clarity.

41-55: Solid Foundation

Clear direction with room for refinement. Elevate innovation, authority, and partnerships.

56-70: Category-Ready

Strong clarity and strong potential for rapid scaling. Accelerate visibility, partnerships, and strategic growth.

NEXT STEPS

Your diagnostic score determines the exact roadmap we build together through the Limitless Innovation Architecture(TM) - our proprietary system for creating category-defining brands.
